Issuer did not co-operate; based on best available information
On 31 Dec 2016 rating placed under the rating not reviewed advisory.

Ratings:Downgraded

Nature of Non-co-operation:

The rating was due for a review in July 2016 BWR took up with the issuer to provide required information over email dated 27-3-2018 and through telephone calls. Despite the best efforts of BWR to get at least the minimum required information for a review, the entity has not provided the same. In the absence of adequate information from the issuer/Company, BWR is unable to assess the issuer's/Company's financial performance and its ability to service its debt and maintain a valid rating.

Limitations of the rating:

Information availability risk is a key factor in the assessment of credit risk as generally, noncooperation by the rated entities to provide required information for a review of the assigned rating may also be accompanied by financial stress.
