RATING ACTION /NATURE OF NON-COOPERATION

The long term rating of the Bank Loan Facilities of the company has been reaffirmed to BWR D from on account of non-receipt of any papers/information for ascertaining the financial risk profile/performance of the company. We have therefore moved the rating under “Issuer Not Cooperating” category.

The rating was due for a surveillance.BWR took up with the issuer to provide required information over emails dated 11th July,7th,30th Aug and 4th October 2019 and through telephone calls.Despite the best efforts of BWR to get at least the minimum required information for a review, the entity has not provided the same. In the absence of adequate information from the issuer/Company, BWR is unable to assess the issuer’s/Company’s financial performance and its ability to service its debt and maintain a valid rating. Hence on account of inadequate information and lack of management cooperation,Brickworks Ratings has reaffirmed the rating of bank loan facilities as **BWR D Issuer Not Cooperating**.

LIMITATIONS OF THE RATING .

Information availability risk is a key factor in the assessment of credit risk as generally, noncooperation by the rated entities to provide required information for a review of the assigned rating may also be accompanied by financial stress. Users of the credit rating should therefore take into account the possible deterioration in the credit quality of the rated entity arising from its non- transparency and withholdings of the information required for a review of the rating.
