\* Please refer to BWR website [www.brickworkratings.com/](http://www.brickworkratings.com/) for definition of the ratings

\*Issuer did not cooperate; Based on best available information'.

#### Rating Reaffirmed.

#### Nature of Non-co-operation:

The rating was due for a review in 10 December 2016 BWR took up with the issuer to provide required information over emails and tele calls . Despite the best efforts of BWR to get at least the minimum required information for a review, the firm has not provided the same.

In the absence of adequate information from the firm, BWR is unable to assess the firm's financial performance and its ability to service its debt and maintain a valid rating.

#### Limitations of the rating:

Information availability risk is a key factor in the assessment of credit risk and noncooperation by the firm to provide required information for a review of the assigned rating may also be accompanied by financial stress.
