Issuer did not co-operate; based on best available information

### Ratings: Reaffirmed

**Nature of Non-co-operation:** The rating was due for a review in May, 2017. BWR took up with the issuer to provide required information over emails and through telephone calls. Despite the best efforts of BWR to get at least the minimum required information for a review, the entity has not provided the same. In the absence of adequate information from the issuer/Company, BWR is unable to assess the issuer's/Company's financial performance and its ability to service its debt and maintain a valid rating.

**Limitations of the rating:** Information availability risk is a key factor in the assessment of credit risk as generally, noncooperation by the rated entities to provide required information for a review of the assigned rating may also be accompanied by financial stress.
